### **AAWCC CHAPTER DONATES \$15,000 TO CCC FOUNDATION**

Baltimore County, Md. -- The Community College of Baltimore County's (CCBC) Catonsville Community College Foundation, Inc. (CCC Foundation) received a gift of \$15,000 from the American Association for Women in Community Colleges (AA WCC). This gift was presented to CCC Foundation Director Gail Lee by AA WCC Chapter Chairperson Charolene Oliver. The money will help fund scholarships for students at the CCBC Catonsville campus.

"This new \$15,000 CCBC scholarship fund could not have happened at a better time," Lee stated after receiving the award. "Student requests for scholarships and emergency aid fund assistance are on the rise. The Foundation's board of directors is extremely grateful for this donation which will benefit the CCBC Catonsville student scholarship fund."

Most of the funds were generated from the association's Third Annual Women's Expo which took place during the month of March. This event featured nearly 150 women-owned businesses and provided a wonderful networking opportunity for women around the region. The event also received national recognition when it received the 2004 Model Program Award from AAWCC at the American Association of Community College's (AACC) national conference on April 27th.
